protective equipment

DO NOT ASK WE WILL NOT PAY

We are part of the Maritime Anti-Corruption Network (MACN)—a global business network tackling corruption in the maritime industry.

We have a strict anti-corruption policy, with zero tolerance for bribery.

This means that our Masters are under instructions not to make any payments or give any gifts.

Any such demands will be reported.

If you have any input related to your visit on board this vessel, please fill out the last page on this pamphlet and request it to be sent to shore side management.

Please DON'T

- Smoke outside designated areas
- Make unnecessary noise
- Enter any areas not related to your work on board
- Use cameras, mobile phones, or other electronic devices outside accommodation areas
- Block walking areas or doors, especially around fire escapes and exit routes
